INTRO: A Edim B E

VERSE:

A

Blame it all on my roots

E dim

I showed up in boots

Bm

And ruined your black tie affair

E

The last one to know, the last one to show

A

I was the last one you thought you'd see there

A

And I saw the surprise

E dim

And the fear in his eyes

Bm

Dm

When I took his glass of champagne

E

I toasted you said honey we may be through

But you'll never hear me complain

CHORUS

A

'Cause I got friends in low places

Where the whiskey drowns and the beer chases

Bm

My blues away

E

And I'll be okay

A

I'm not big on social graces

I think I'll step on out to the oasis

B

E

A

'Cause I've got friends in low places

## VERSE

Well I guess I was wrong  
I just don't belong  
But hey, I've been there before  
Everything's all right, I'll just say goodnight  
& I'll show myself to the door

Hey I didn't mean to cause a big scene  
Just give me an hour and then  
I'll be as high as that ivory tower  
That you're livin' in

## CHORUS
